TO OUR FRIENDS AND CUSTOMERS:

In issuing this fall price list of 1928, we are making it as small as it can be written and only outlining the varieties and prices, knowing that many of our friends already have our descriptive catalog of 1928, and if you should not have one, drop us a postal card and we shall be glad to mail same. We are doing this to minimize the cost of this price list and allow it to our friends in the cost of the seed, giving the same superior quality seed and of the highest germination. Upon receipt of this circular we hope that you will let us have your orders promptly which will be filled as soon as received.

**NOTE:** Our Flower and Vegetable Seeds are sold in 10c packets; 3 for 25c; 12 for \$1.00, except where noted. Write for prices in quantity lots and state quantity wanted. We do not handle 5c papers any longer of any kind of seed, whether it be Vegetable or Flower Seed, because a sufficient quantity cannot be given to justify the planting.
